2017

**Thank you for your interest in becoming a Foundation  
Sponsor of the next CampJS event, CampJS VIII**

**FOUNDATION**

As a **Foundation Sponsor**, you'll receive prominent placement across all media and communications from the CampJS team. The journey that you help launch us on is going to be a heck of a ride, so best get strapped in.

With your help, we'll be able to **lock in the high quality** venue, speakers, attendees, and overseas guests that have become synonymous with CampJS.

# FOUNDATION

Our Foundation Sponsor is a singular opportunity and fits within the structure that has helped make our events so successful to date.

You'll receive:

- A dedicated space, room, or marquee.
- Up to 4 tickets for employees.
- Up to 3 opportunity tickets (to give to someone external to your organisation, e.g. students, inclusive groups).
- A Large logo on our website.
- You can run a workshop.
- Brand a standing banner.
- Add an item to the swag bag.
- Donate a prize for presentation night for a category of your choosing.
- Add branding on all CampJS videos.
- Primary Sponsor of a key component/area of the conference.
- Sponsorship of Friday, Saturday, or Sunday dinner.

# FOUNDATION

All those features will be available for an Introductory price of **\$14,745** which represents a **10% saving** over our Platinum Sponsor package.

# FOUNDATION

Our attendees join us from all parts of the country and the globe. You can find yourself pair-programming with someone from the same suburb, or from the other side of the planet.

And it's not just about coding.

# ATTENDEES

Currently averaging between 130 to 150 attendees.

# ATTENDEES

CampJS Speakers make our events **stand out from the crowd**. Not only are new speakers encouraged and invited to talk in front of their peers, but local seasoned-veterans from the conference circuit enjoy the more relaxed atmosphere of the camp podium.

And on top of that, we've had international guest speakers that you'd normally associate with big-named conferences.

Why head overseas, when we bring speakers to you?

# LOCAL SPEAKERS

CampJS events are held **Just Off the Grid™**. We don't rely on the World Wide Web, we rely on our peers.

CampJS has rotated amongst Melbourne, the Gold Coast, and Sydney to ensure that more coders have more access. CampJS VIII is currently slated to return to Melbourne.

CampJS' generous sponsors have helped make our events really change lives.

From promoting inclusivity and diversity and introducing developers to their peer networks, to allowing companies to showcase their products, and through to being the first point of contact for employers and new recruits, CampJS offers great value to attendees and sponsors alike.

CampJS prides itself on its adherence to a strict **Code of Conduct**. The success of our events is only achievable when the Community comes together and works as one to ensure that everyone can reach their potential.

Whether you're sponsoring, speaking, or spending time with your peers, the community will be working with you to ensure your only concern will be in enjoying the best camp yet.

# CODE OF CONDUCT

Harassment includes offensive verbal comments related to gender, sexual orientation, disability, physical appearance, body size, race, religion, sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. Participants asked to stop any harassing behaviour are expected to comply immediately...

We have been very proud of the CampJS community for being mostly mature and well-behaved at our events thus far, and hopefully we will never have to enact any disciplinary measures. It is the purpose of this code of conduct to ensure everyone knows that we do not tolerate harassment or otherwise offensive behaviour and we want to know immediately if it's happening at one of our events.
